We do not recommend ink printing the darker colors of these bags and using metallic inks does not always present the best possible image. For best results we suggest that you foil stamp these bags when a custom logo is desired. To have these bags foil stamped, please see chart on page 7. The stamping charge must be added to the plain bag price for total cost. Multi-color or multi-side printing or foil stamping may be available. Please contact office for feasibility and pricing. We do not recommend ink printing the darker colors of these bags and using metallic inks does not always present the best possible image. For best results we suggest that you foil stamp these bags when a custom logo is desired. To have these bags foil stamped, please see chart on page 7. The stamping charge must be added to the plain bag price for total cost. Multi-color or multi-side foil stamping may be available. Please contact office for feasibility and pricing. Please see page 39 for plate charge.

Printed bag pricing for quantities less than 1,000 is priced per case.

All prices are FOB our plant

**We do not recommend ink printing the darker colors of these bags and using metallic inks does not always present the best possible image.** While it is possible to ink print these bags, we find that large areas of coverage can cause a halo effect. Any logo that crosses a side gusset or the bottom cardboard will have a break in the print. **For best results we suggest that you foil stamp these bags when a custom logo is desired.**

For foil stamping charges please see chart on page 27. Add stamping charges to plain bag price for final cost. Multi-color or multi-side printing or foil stamping may be available. Please contact office for feasibility and pricing. Please see page 39 for plate charges.

All bags of this type are packed 250 bags per case.

All bags have a cardboard reinforced bottom.

# Post Printing Information

The short run post printing and hot stamping service offered in this catalog is a hand fed, one piece at a time operation that is done on post converted bags and boxes. Because of this we can offer very short quantities of your custom imprinted products with lead times normally shorter than a large converter's, and a rush program. There are certain limitations associated with this type of printing that need to be considered when designing your custom logo. Because of this type of printing we recommend printing in the lower two-thirds of the bag. We must stay away from the handles of all shopping bags a minimum of 1½ inches for best results. Close registration multi-color logos must meet our limitations in order to be printed. We recommend hot stamping instead of ink printing all high gloss paper bags, and all laminated eurototes must be foil stamped if a custom logo is desired. Solid blocks of coverage and large blocks with reverse outs, screens and half tones are not always possible. All artwork must be approved by our art department prior to acceptance of any order.

**Plates:** Ink printing plates are \$1.30 per square inch and hot stamping plates are \$20.00 per copy plus \$3.50 per square inch. To determine the square inch area of a plate for printing or hot stamping, draw a box around the desired logo keeping the box parallel to the sides and the bottom of the bags. Add ½ inch to the height and length of the box and multiply the two numbers together to get the total square inches of the logo.

We possibly can use your existing plates if the ink plates are photopolymer or rubber, with a reverse image, at least .107 inch thick and have a sticky back.

For foil stamping we use ¼ inch thick magnesium plates. We could possibly use customer supplied magnesium plates if they are at least ¼ inch thick. We reserve the right to make any modifications we feel are necessary to obtain the best possible image on all customer supplied plates.

Our plate charges are one time charges. We will replace at no cost to you any plate we make that wears out. Replacement of customer supplied plates is the responsibility of the customer.

We normally keep all plates on file for a period of three years. Customer is responsible for freight for all returned or forwarded plates.

**Ink Colors:** We stock a wide variety of stock ink colors as shown below. These are standard PMS colors. Due to the reaction of the inks with the dye and natural color of the product, the finished products may not exactly match the normal PMS shade.

We also offer the below list of colors at an up charge of \$20.00 per order. However for best results with these colors we recommend that you consider having them foil stamped.

If an exact color match is desired, special ink can be purchased to match a particular shade. Special inks are invoiced at cost, plus freight. If a non-stock ink PMS color is required, a minimum of 1 gallon must be purchased. The normal shelf life on an ink is approximately 2 years. Customer will be invoiced for any reorder of their custom ink when necessary.

# General Information

<b>Product Pricing Information</b> All pricing in this catalog is suggested resale.	<b>Cancellations:</b> All cancellations must be made in writing. All charges incurred prior to cancellation will be billed to customer.
All items in this catalog combine for volume discount based on one shipment to one location except printing and hot stamping charges. Split shipping of products is available.	<b>Artwork:</b> We require that you send a clear copy, preferable original art. This is best accomplished with the original design files.
<b>Minimum Order:</b> 1 case	Our preferred file formats are vector based AI, PDF, or EPS files. These would need to be generated for CS4 compatibility, or earlier, with all type as outlines or curves to avoid any font recognition issues. These files may be sent via email or CD to our office where we will inform you if there are any adjustments that need to be made. Any clean up or type setting of unacceptable artwork will be invoiced at \$40.00 per hour. Any special fonts not supplied will be invoiced at cost if required.
<b>Back Orders:</b> All back orders will remain open until filled or a written cancellation is received. <b>Lead Time:</b> Most plain bag orders ship within 24 hours of receipt of order. Our normal lead time is 3-4 weeks on repeat orders and after final artwork approval. Standard lead times are subject to seasonal variations.	
<b>Rush Program:</b> We offer a rush program for orders that must be shipped faster than our normal lead time. Depending upon the rush charge an order is guaranteed to ship: Within 2-4 working days on a new order or repeat with changes, \$60.00 or 60% whichever is greater, plus \$90.00 to air freight plate. Within 2-4 working days on a repeat order with no changes, \$60.00 or 60% whichever is greater. Within 5-7 working days on a new order or repeat with changes, \$50.00 or 50% whichever is greater, plus \$50.00 to air freight plate. Within 5-7 working days on a repeat order with no changes, \$50.00 or 50% whichever is greater. Within 8-10 working days on any print order \$40.00 or 40%, whichever is greater. Production clock will not start until <b>final proof approval</b> . Approvals received after noon Central Time will not be entered until the following working day. <b>Rush Program</b> lead times <b>MAY</b> be extended during the holiday season. There is also a limit to how large an order we can accept under the rush program. <b>Any special delivery charges of new plates or products required to meet in-hands date will be the responsibility of the customer.</b>	<b>Proofs:</b> All new orders and repeat with change orders must have approved proof prior to production. <b>Rub And Bleed:</b> Any printed or dyed paper product is <b>susceptible to color rub and/or bleed</b> when exposed to moisture or abrasion. We cannot guarantee the color fastness of paper bags. <b>Freight:</b> All prices are FOB our Midwest warehouses  Unless otherwise requested all items are shipped prepaid and added to invoice. Any items shipped collect or third party will be charged a nominal handling charge. Any additional cost incurred by using any standard carriers will be billed at cost. <b>Returns:</b> There is a 10% restocking fee for any products returned for any reason other than our mistake. Customer is responsible for all freight charges both from and to our warehouse. A return authorization number must be issued before any products are returned. <b>No returns accepted after 30 days. No credits issued after 90 days.</b>  <i>Prices subject to change without notice. We reserve the right to make corrections. Not responsible for typographical errors or omissions.</i>

**Foil Color:** We offer 60 colors of hotstamp foils, including metallic, gloss pigment or matte pigment colors as shown below:
